

STORAGE BINS

PLASTIC BINS

- Designed to hang from bin racks, panels, rails and carts
- Bins reduce and control inventories, shorten assembly times and minimize parts handling
- Reinforced ribs, on both sides, prevent bins from spreading under loads
- Unaffected by weak acids and alkalis
- Stackable
- 5 available colours allow for colour coding

DIVIDER BOX® CONTAINERS

DIVIDER BOX® CONTAINERS

- *Divider Box*® (DC) series containers are injection-moulded HDPE
- **DG** series are injection moulded from high density FDA approved polyethylene which resists most solvents and chemicals
- Large, flat areas on all four sides for content identification
- Comfort grip handle
- Stacking rims and multi-ribbed external sides provide high impact strength
- All containers can be divided into compartments by length and/or width
- Moulded-in stacking ridge assures containers will stack securely with or without covers
- One set of cardholder snaps and security tie holes on two ends included on **DC** models only
- Full range of optional accessories available including velcro card holders for **DG** models and snap on card holders for **DC** models, vertical and horizontal dividers and covers

Utilize **Horizontal Dividers** to increase available space for smaller size items by horizontally dividing containers.
