CEASE-FIRE® WASTE RECEPTACLES W/HEAD

- Specially designed contoured head directs smoke and gas from any fire inside the container back into the combustion area
- Air supply is limited and flames are extinguished in seconds
- Drum bodies made of heavy gauge steel with a grey enamel exterior and a rust preventive interior coating
- FM approved, corrosion-free aluminum heads provide easy clean-up and can be used with standard steel drums
- Aluminum heads are available separately for use with existing metal drums
